

Tournament Series - 2009

POINTS STRUCTURE: There will be 5 tournaments. Each contestant paying to fish this event will automatically be awarded 3 points. With the following points awarded per contest.

- 1st place 25 points
- 2nd place 20 points
- 3rd place 15 points
- 4th place 10 points
- 5th place 6 points
- Participation 3 points

Angler's Points will be accumulated from each of the 5 tournaments. If an angler not in the club places in an event he/she will receive the appropriate % of the individual event pot, but the points will fall down to the next individual who is competing in the tournament series (club members) and so on until the 5 placings of points are distributed to the top 5 "series" participants.

In order to qualify for Angler of the Year you must have fished 3 of the 5 tournaments. The angler with the most points who has participated in at least 3 of the 5 tournaments will be named BCKFC Angler of the Year

Each tournament has a \$20.00 entry fee. That is split; \$15 going to the purse of said tournament and \$5

going to BCKFC angler of the year awarded at the end of the series. A percentage will be taken from the money held back for a participation raffle. Any angler that fished 3 of the 5 in the series and did not place in the top five of any tournaments will be entered into a raffle to win back their entry fees - \$100. The remainder of the money will be awarded to the top 5 anglers of the year.

The overall point leader at the end of the series will be awarded "Angler of the Year" and a new Native Ultimate 12 courtesy of *Pack & Paddle*; the overall tournament series sponsor. (Shown at the bottom)
